

'You were adopted.'

Three simple words, in a letter accompanying her parent's will, tear Nisha's carefully ordered world apart. Raised in England, by her caring but emotionally reserved parents, Nisha has never been one to take risks.

Now, with the scrawled address of an Indian convent begins a search for the mother and family she never knew and the awakening of childhood memories long forgotten.

The secrets, culture and people that Nisha discover will change her life forever. And, as her eyes are opened to a side of herself she didn't know existed, Nisha realizes that she must also seek answers to the hardest question of all – **why?**

The Forgotten Daughter - Renita D'Silva

Weaving together the stories of Nisha, Shilpa and Devi, *The Forgotten Daughter* explores powerfully and poignantly the emotional themes of motherhood, loss and identity – ultimately asking the question of what you would do out of love for your children?

Renita D'Silva combines rich, lyrical descriptions of India with the emotionally charged drama of Jodi Picoult, Diane Chamberlain and Liane Moriarty.

'Renita D'Silva is a genius at evoking the sounds, sights and aromas of India. **A major new talent.**' Linda Kavanagh

About Renita

Renita D'Silva grew up in a picturesque coastal village in the South of India and her father bought her first story books when she was six - beautiful hardback fairytale books, a rarity in those days. She fell in love with storytelling then and is still just as much of a bookworm today.

Both *The Forgotten Daughter* and *Monsoon Memories* are set in the India that Renita knows and loves.
